Activity 2

The Resource Trade-Off

Focus: Negotiation & prioritization

How it works:

- Based on the given scenarios, discuss. Team must agree how to spend the money to get the best outcome.
- **Scenario 1:** You're preparing for your *big placement interview*. You have **₹1,000**.

Items to choose from:

- Formal Shirt & Pants – ₹500
- Resume Printing – ₹200
- Mock Interview Session – ₹400
- Travel to Interview Venue – ₹300
- Snacks & Water – ₹200

Answer: Formal shirt & pants , travel to interview venue, resume printing

=====

- Scenario 2: You and your team are submitting a project demo. Budget: ₹1,000.

Items to choose from:

- Backup Pendrive – ₹200
- Extra Laptop Battery – ₹500
- Good Camera for Recording Demo – ₹600
- Pizza to Keep Team Energized – ₹300
- Printout of Report – ₹200

Answer: Backup pendrive, good camera, printout report

=====

- Scenario 3: Your team is setting up a booth at a *college tech fest*. Budget: **₹1,000**.

Items to choose from:

- Posters & Banners – ₹300
- Extra Chairs – ₹200
- Snacks for Visitors – ₹300
- Mini Speaker for Music – ₹400
- Wi-Fi Recharge – ₹500

Answer: Posters and banners , extra chairs, wi-fi recharge

Why it works: Teaches resource allocation, persuasive communication, and flexibility.

Activity 3

The Impossible Deadline

Focus: Conflict resolution under pressure

Scenario: A recruiter gives your project team just **2 days** to complete a task that normally takes a week. Team must debate, negotiate, and agree on **one final strategy** to present.

Each member has a different opinion:

- Person A: "We should skip documentation."
- Person B: "We must focus only on presentation."
- Person C: "Quality is most important, even if incomplete."
- Person D: "Divide into shifts and work overnight."

Answer: Divide into shifts and work overnight
