

Activity 1 – Quick Fix (Case/Problem-Solving)

Scenario 1: Resume mistake

Answer: “Sorry, I’ll correct it right away.”

Scenario 2: Wi-Fi crashes during online test

Answer: “I’ll restart the Wi-Fi and inform if it still doesn’t work.”

Scenario 3: Friend also applied, why select you?

Answer: “My skills match this role, and I can contribute my best.”

Scenario 4: Two interviewers disagree

Answer: “I understand both views; here’s my explanation step by step.”

Scenario 5: Higher salary from another company

Answer: “I’m focused on growth and opportunity; I value this role.”

Scenario 1: Lost bag – save 3 items

Options: Resume folder, Laptop, Formal clothes, Snacks, Mobile phone

Answer :

- Resume folder
- Mobile phone
- Formal clothes

Reason: These are most important for the interview and communication; laptop and snacks can be replaced later.

Scenario 2: Friend has multiple job offers – recommend 3

Options: High salary but high pressure, Lower salary but excellent learning, Job security & benefits, Flexible work-life balance, Foreign onsite opportunity

Answer (Team Consensus):

- Job security & benefits
- Flexible work-life balance

- Lower salary but excellent learning

Reason: Ensures stability, personal well-being, and growth; high salary/high pressure and foreign oneite are less balanced for long-term.

Scenario: One student shares a fear about interviews

“I forget words in English” / “I get nervous in GDs”

Team Positive Responses:

1. “Don’t worry, take a deep breath; pausing is okay before answering.”
2. “Focus on listening first, then speak confidently when you have a point.”
3. “It’s okay to ask for a moment to think; clarity is better than speed.”
4. “Smile and maintain eye contact; small gestures show confidence.”
5. “Keep answers short and structured; practice examples beforehand.”
